# USER MANUAL

## GUIDE

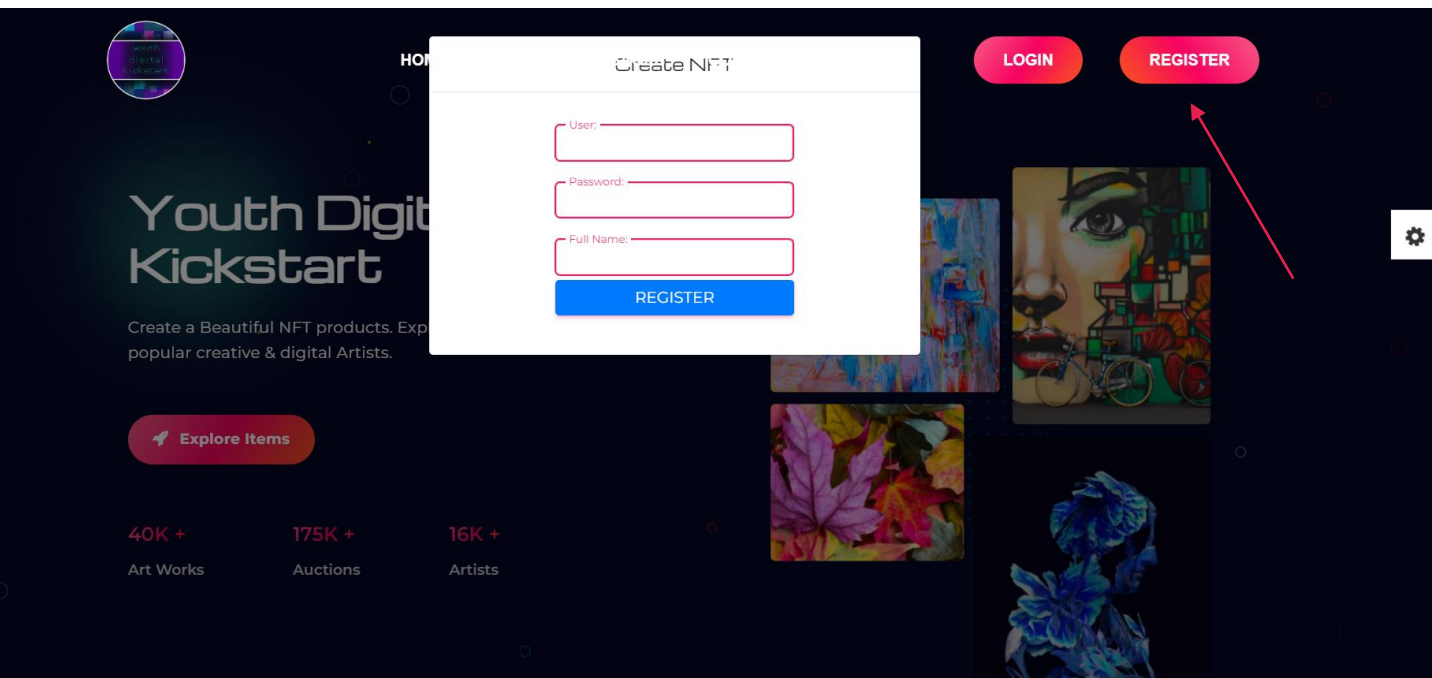

<https://digital-youth-kickstart.eu/>

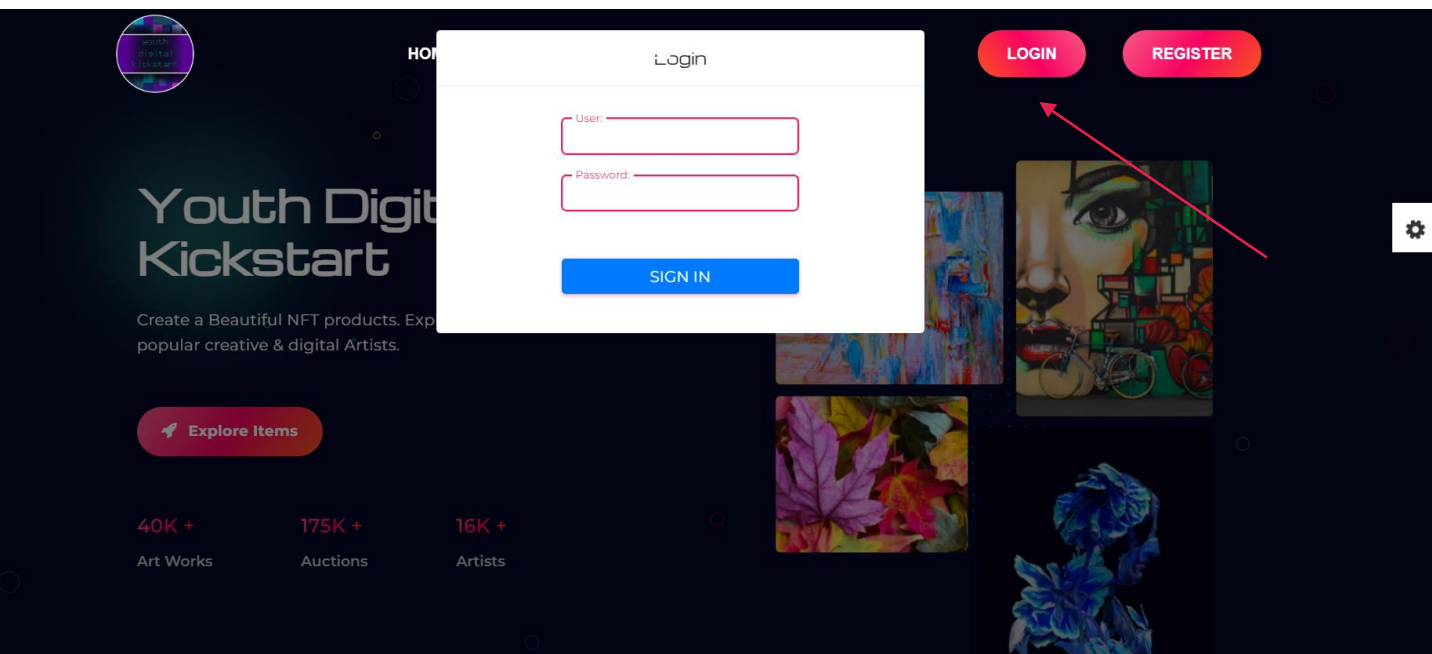

# HOME PAGE

This is what the home page looks like. To use the tools efficiently, you should register and log in.

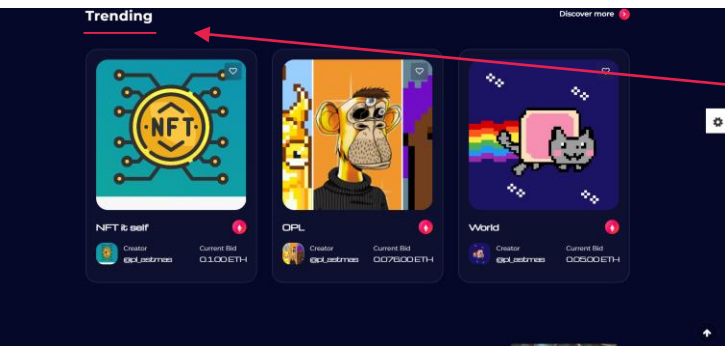

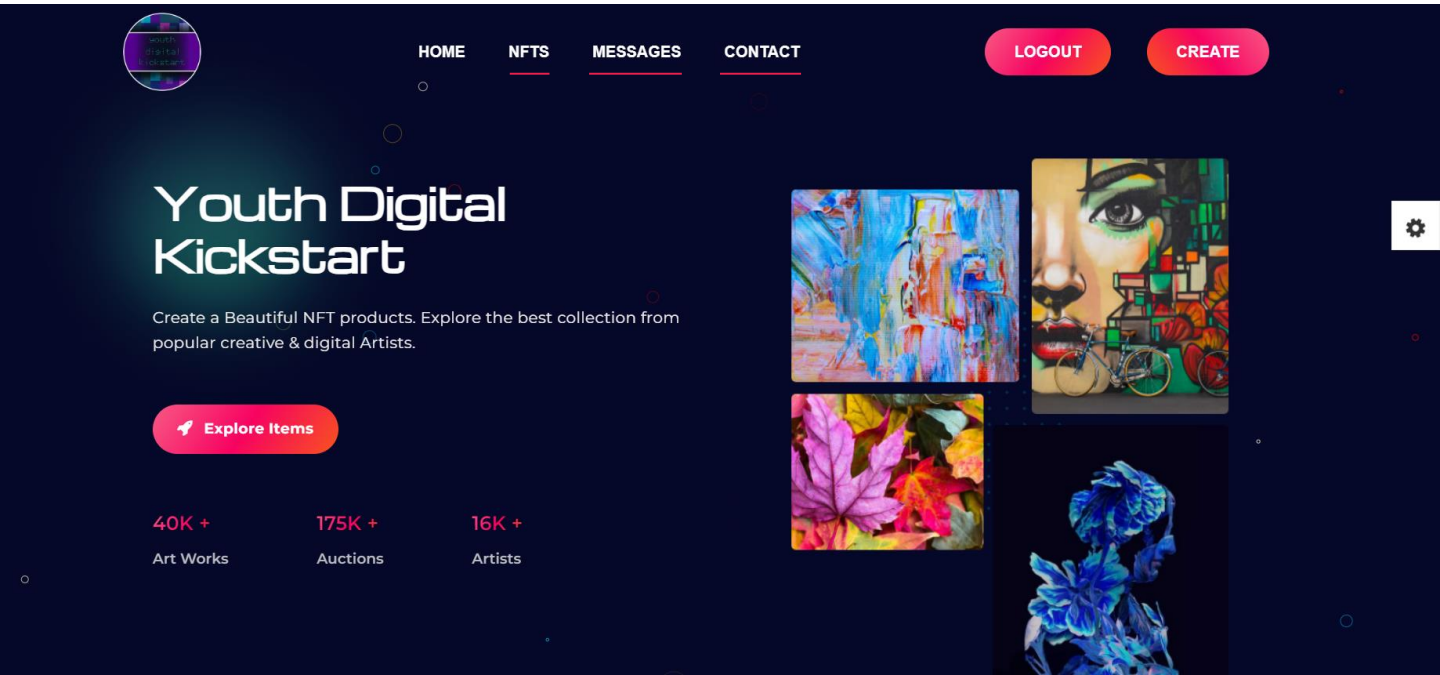

Click on "register" at the top right corner, fill in the required fields and submit by pressing the blue "register" button.

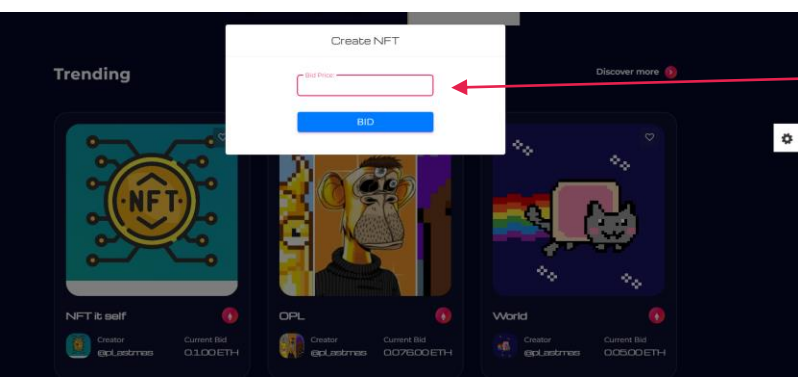

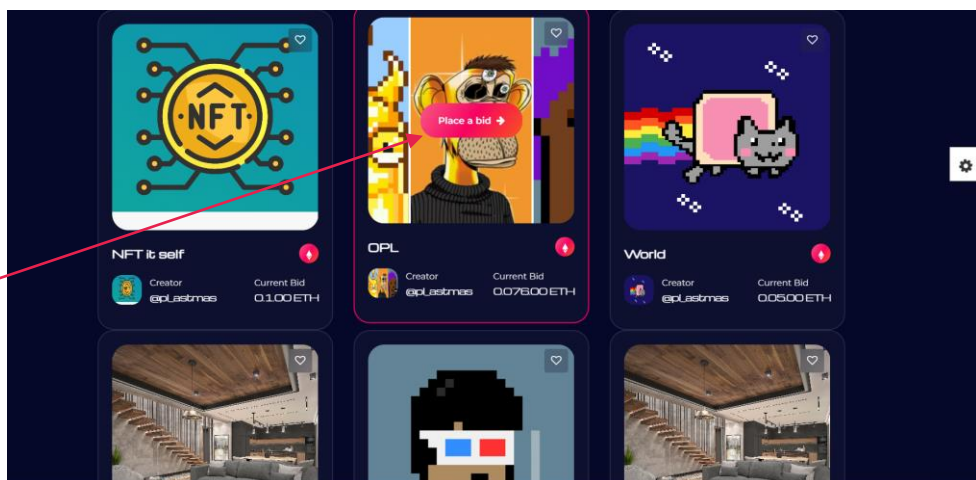

Once registered, you may log in, by using the "login" button on the top right and filling in your credentials

ONCE LOGGED IN, YOU MAY WANT TO EXPLORE EXISTING NFTS AND BID ON THEM OR CREATE AND UPLOAD YOUR OWN, AND CHECK YOUR MESSAGES

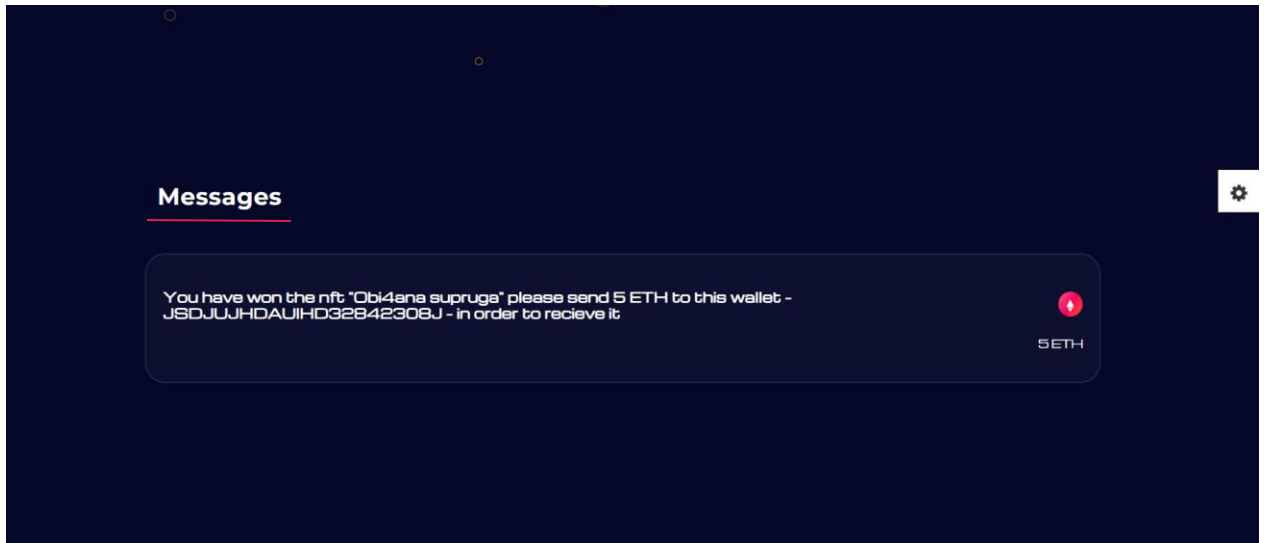

The most trending NFTs will appear at the top of the NFTs page as you open it

As you hover over an NFT, a button "place a bid" appears

Should you decide to proceed with bidding, you are asked to provide a bidding price

# AS YOU CREATE NFTS AND BID ON OTHERS, YOU WILL BE UPDATED IN THE "MESSAGES" SECTION

YOU CAN DISCOVER FURTHER INFORMATION BY  
CLICKING "CONTACT"

## Our Roadmap

### Connect Wallet

After registering your account, link your digital wallet to your account. You can do so by entering your wallet number on the platform.

### Buy Collections

Bid on the ones you want to own personally or trade with other users.

### Sell Your NFTs

Sell and trade your NFT with other traders

### Visit NFTs Market

Explore the possibilities provided by other artists or entire collections.

### Add Your NFTs

Add your NFTs or create them, as well as entire collections

### Personalize Your NFTs

Create your own personal unique NFT that only you own
